

Main applications

Events displays
Privacy screens for hospitals (501 Activ)

Resistant & anti-bacterial

High mechanical strength with a specific version dedicated to health environment

Major advantages

- High strength
- Anti bacterial properties for Decolit Perform 501 Activ

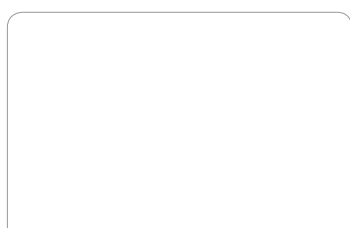

Technical specifications

	Decolit Perform 501		Perform 501 Activ
Weight	530 g/m ²	530 g/m ²	530 g/m ²
Roll width	2500 mm	2700 mm	1600 mm
Roll length	50 lm	50 lm	25 lm
Product Availability	B	A	C
Packaging	Cardboard box	PE film	Cardboard box
Pallet	12 rolls	10 rolls 12 rolls for exportation	12 rolls
Jumbo	In 2700 mm length (501) In 1800 mm length (501 Activ)	on demand	
Finish	Matt	Matt	Satin
Flame retardancy	B-S1,d0 – M1/NFP 92-507 Method 1 & 2/NFPA 701		M1/NFP 92-507 Method 1 & 2/NFPA 701 ASTM E2180
Ink compatibility			
MOQ	2500 lm	2500 lm	2500 lm
Maximum delivery time	4 working weeks	4 working weeks	Special manufacturing
Provided services	Promised delivery guaranteed up to 500 lm		

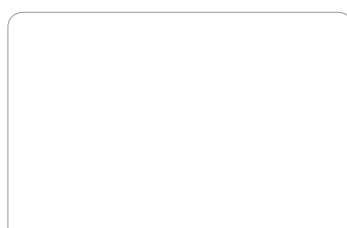

* Depending on type of Latex printer (drying/curing <90°C)
